

Silent — Opus

WRIST SIZER FOR BANGLE BRACELETS

PRINT SETUP

Print this sheet to use as a guideline when selecting sizing for Silent Opus bangle bracelets.

For the most accurate measurement, ensure the Page Scaling option is set to “none” in the print dialog box of your printer preferences. The Wrist Sizer must be printed on a full 8.5” x 11” (letter size) page. To ensure the Wrist Sizer has been printed properly for an accurate measurement, use a ruler to measure the increments on the sizer.

HOW TO USE

1. Print and cut out the paper Wrist Sizer.
2. Insert the pointed end through the slit you have cut at the other end (indicated as “cut here”). Place your hand through the Wrist Sizer and pull the pointed end until it fits comfortably on your wrist (not too snug, not too loose) as a bracelet would fit.
3. The number that lines up with the edge of the slit is your preferred bracelet size.
